

大家好，我是朱健辉 (Jake Zhu)，来自辽宁大连，本科毕业于浙江大学，09 年来美国于纽约大学理工学院攻读博士学位。目前在分析仪器公司从事研发工作。自 2019 年起我开始接触并加入到华夏博根中文学校，现在我的两个孩子（4 岁和 7 岁）都在中文学校学习，我和我的爱人分别担任两个孩子班级的班爸班妈。我们非常感谢学校提供的多元而且优秀的课程，也感恩尽心尽力的老师，校委及董事们。

身为海外华人，特别是近些年来愈演愈烈的歧视问题，我深刻体会到团结互助的重要性。华夏博根中文学校成为了临近华人交流与合作的社区，给华裔们提供了一个了解，学习和传承中国文化的平台。学校的义捐义卖，节日表演，学生的比赛活动，以及疫情期间的网上授课，和目前线下课堂都举办的非常成功，充分体现了学校的凝聚力和领导力。

当然，这些都离不开学校管理人员和老师的辛苦付出。随着对学校的更深入的了解，我认识到作为学校大家庭的一员，不光需要支持，更需要积极参与到管理发展当中，因此我决定参加今年学校的董事会选举，希望能够为学校的发展壮大尽自己的绵薄之力。如果能有幸当选，我愿意利用自己的能力与时间协助学校的发展与组织工作。我会认真的听取老师与家长的意见和建议，增强学校，老师以及家长之间的沟通与交流，使学校能够在大家的共同努力下和谐，稳定，健康的发展，成为一个具有更大社区影响力的学校与组织，弘扬与传承中华文化。

谢谢！

朱健辉

My name is Jianhui Zhu (Jake Zhu), I am from Dalian, Liaoning Province, China. I graduated from Zhejiang University with a bachelor's degree. After receiving my bachelor's degree in 2009, I came to the United States for my doctorate study at the New York University Tandon School of Engineering and received my PHD in 2015. I'm currently work at an analytical instrument company as Senior Scientist on the R&D team. I started to learn about Huaxia Bergen Chinese School from 2019, when my son started his Chinese learning. Currently both of my two children (4 and 7 years old) are studying in the Chinese school. My wife and I are the class parents of the two children's classes. We are very grateful for the diverse and excellent courses provided by the school, as well as the dedicated teachers, school committees and directors.

As a Chinese living overseas, especially with the growing discrimination issues raised in recent years, I deeply appreciate the importance of solidarity and mutual assistance. Huaxia Bergen Chinese School has become a community of communication and collaboration, providing a platform for people sharing the same culture or wanted to learn about, especially the children, to understand, learn and inherit Chinese culture. The school's charity sales, festival performances, student competitions, online classes during the pandemic, and the current in-person classes are all very successful, which fully reflect the school's cohesion and leadership.

The hard work and dedication of school administrators and teachers made all this possible. As a member of the school family, I realized that actively participation is more needed than just supporting. Therefore, I decided to participate in the school board election this year to better contribute to the school's development. If I am fortunate enough to be elected, I am willing to contribute effort and time to assist with the continued development and organization of the school events and curriculum. I will listen intentionally to ideas and suggestions from teachers and parents, enhance the communications among different parties, and help the school continue to develop harmoniously, stably and healthily with the joint

efforts of everyone, and become a community with greater influence to promote and to inherit Chinese culture.

Thank you for your time and consideration!

Sincerely,

Jianhui (Jake) Zhu
